

# CHILDREN & YOUTH NEWS

From the Children...

On August 1st we had 11 children and adults from our children's church to go see the premiere of the new Veggie Tales movie! 11 is a terrific number of people involved and I'd love to see our numbers go up and up! We have had a wonderful summer with a lot of visitors in and out, but we're ready for our regular church children to come back. So, to welcome children and parents of the church back, we will be holding our quarterly Breakfast Bites on Sunday, September 6. Each family is asked to bring a dish and we will have a great time of fellowship to start our new year together. Juices and milk will be provided. Breakfast is for nursery, preschool and elementary children.

I'm also really looking forward to re-starting a preschool class. Yes, a class just for 3s, 4s and 5s! They are very excited to move up from the nursery. Just ask Paul! We could still use a volunteer now and then to substitute in the preschool or elementary classroom. Just let me know that you wouldn't mind filling in when needed. Thanks to those who volunteer, our church couldn't run without you! You are the fingers that point to our Creator, God.

# CULTURE CLUB

**Culture club begins Monday, September 14!!!!!!!**

Do you like working with children? Culture Club is looking for volunteers.

Culture Club meets Mondays, Tuesdays, and Thursdays from 3:00pm - 5:00pm.

Culture Club is a mentoring program where kids and adults work together to make life better.

*If you would like to volunteer please give the church office a call.*
